

**1. Amber Therapy – a vegan cosmetics line with Baltic amber**

**LOTON COSMETICS Sp. z o.o.**

Amber Therapy is a vegan cosmetics line with Baltic amber created in Slupsk. Its natural formulas regenerate, strengthen and moisturise hair and skin, offering a complete care ritual. It is a combination of local heritage, modern technology and elegant design inspired by amber.

**2. DNKa Builder Gel NEW FORMULA (#0035 - #0039)**

**NAILSWORLDDUKRAINE Sp. z o.o.**

DNKa' Builder Gel Vision Collection (#0035–0039) is an innovative generation of builder gels with an exceptionally high concentration of glitter, which creates a spectacular luminous shimmer effect without losing the technical properties of the material. Despite its intense shine, the gel is perfectly self-levelling, does not run and ensures stable nail architecture. Stylists emphasise the extraordinary comfort of work and the durability of styling. The solution stands out on the Polish market, combining visual effect with professional functionality.

**3. MedMelano**

**DERMOELITE Sp. z o.o.**

MedMelano are modern Korean dermocosmetics created with the needs of European skin in mind. The formulas combine the effectiveness of advanced active ingredients with the pleasure of daily care, support regeneration, strengthen the protective barrier, even out skin tone, have anti-ageing and antioxidant properties, ensuring comfort and safety of use even for sensitive skin.

#### 4. Rytuał Odnowy / Renewal Ritual

##### HORTA-MED Sp. z o.o.

The Horta-Med Renewal Ritual is a comprehensive care programme for mature skin, in which each stage works in thoughtful synergy. The delicate cleansing emulsion removes make-up and protects the hydro lipid barrier, while the toner restores balance and prepares the skin for active ingredients. The serums and creams with retinal, biomimetic peptides, exosomes, BIO-placenta and antioxidants support cell renewal, collagen production and improved firmness, while ceramides and postbiotics strengthen the skin's protective barrier.

#### 5. Hair follicle stimulating device

##### TOUCHBEAUTY BEAUTY & HEALTH DOMOWE SANATORIUM Sp. z o.o.

TOUCHBeauty VITA is an innovative scalp and hair care device combining LED, EMS and sonic massage technologies. It supports hair growth, improves its condition and reduces hair loss. Thanks to its compact form, it enables effective, professional care at home in just a few minutes a day.

#### 6. Salon Cover Gel nail builder gel by Ewelina Staszak Molly Nails

##### MollyLac Michał Szewczyk / GNBLAB Sp. z o.o.

Salon Cover Gel by Ewelina Staszak is a nail builder gel created with championships and work in beauty salons in mind. The thick, jelly-like consistency allows for complete gel control, and the universal nude shade conceals imperfections and adapts to any complexion.
